Beginning in October, 2004, the members of the City of Yuma Clean & Beautiful Commission began selecting local individuals, families and businesses, either because they have noticeably improved and enhanced their properties, created spots of beauty, or have consistently maintained high standards of cleanliness and/or maintenance.

On a monthly basis, each Commissioner has the privilege of nominating potential award recipients and presenting written documentation in support of their proposed honorees. The Commission, as a whole, then endorses or rejects the nominations.

Each recipient of the City of Yuma Clean & Beautiful Commission's CBC Award will receive a letter of appreciation from the Commission for a job well done. A sign will be placed on their property to recognize the contribution to Yuma's quality of life.

The City of Yuma Clean and Beautiful Commission is pleased to present a CBC Award to the Housing Authority of the City of Yuma, Michael Morrissey, Executive Director.
